475 Grove Street
Ridgewood, NJ 07450**

Brandeis Men's Club has been an integral part of Temple Israel since our inception 56 years ago. We strive to reinvent ourselves each year, fostering spirituality and facilitating programs directed at the Jewish men of our community. Over the years, we have offered many new social and educational programs in our shul. We continually encourage men to join us at our meetings, at ritual gatherings and at sports events to promote camaraderie and greater meaning in our busy lives.

Are you aware that our Men's Club is one of 260 Men's Clubs in conservative synagogues, having over 25,000 members in North America under the guidance of The Federation of Jewish Men's Clubs (FJMC)? We interact with the national organization and benefit from club programs which may be of interest to our members here in Ridgewood. Here are some of our program highlights, which we hope you will want to attend!

- **Brandeis Men's Club Annual dinners & regional events**
- **Holiday BBQs and fund raising parties**
- **Sukkah construction and high holiday support**
- **Hearing Men's Voices - Men's issues discussion group**
- **FJMC Annual World Wide Wrap, Tefillim education**
- **Men's Club Shabbat & Man of the Year Presentations**
- **Sports: Men's Softball, Ski Outing, Biking & Golf Outing**

We sponsor many programs at Temple Israel that enhance our sense of community and support our educational goals! Please join usyou will be glad you did!
